July 2018

Dear Bromley Hall Residents:

Welcome to Bromley Hall! My name is Colleen Finucane, and I am the Resident Director for the 2018-2019 academic year. This letter is intended to introduce you to your Residence Life Staff and provide you with some basic information about Bromley Hall.

This Fall you will not only attend a great University, but also live in a first class residence hall. Bromley Hall offers many unique services and facilities for its residents, and I encourage you to take advantage of them. The Residence Life Staff has been busy preparing for your arrival. This year our Resident Advisors are:

<u>Resident Advisor</u>	<u>Resident Advisor for the</u>	<u>Room No</u>
Casey Hogan	2 nd Floor/Mezz	208
Molly Nuzzo	3 rd Floor	308
Samantha Gray	4 th Floor	408
Vrain Ahuja	5 th Floor	508
McClain Engel	6 th Floor	608
Brett Rosengren	7 th Floor	708
Kiara Schuh	8 th Floor	808
Hamed Kadiani	9 th Floor	908
Madison Kuehn	10 th Floor	1008
Gina Miklasz	11 th Floor	1108
Terrell Baker	12 th Floor	1208
Elliott Morales	13 th Floor	1308

In the coming weeks you will receive an email from your Resident Advisor with a little more information about themselves and what you can expect as a resident of Bromley Hall and a student of the University of Illinois.

When you arrive, be sure to take the time to meet the Resident Advisor on your floor. You will come to find out that each of them can be a tremendous resource to you in the months to come. They are there for you and are more than willing to answer any questions you may have and help make your adjustment to campus and Bromley Hall much easier.

These exceptional students have gone through extensive training programs and are eager to assist you throughout the upcoming year. I encourage you to get to know your RA and discuss any questions or concerns that you may have. Remember, your RA is there as a resource for you!

As you prepare to move-in, I am sure that you will be receiving plenty of advice in terms of what to bring and what not to bring. Here are a couple of things to keep in mind as you prepare to move-in to Bromley Hall:

- If you plan on bringing a computer, I recommend you visit <http://security.illinois.edu> to make sure you are up-to-date on your computer's security before arriving on campus. This will make connecting to both Bromley's Internet and the University of Illinois' Internet much easier.
- Each room is equipped with only 1 Ethernet port. However, Bromley Hall will provide a 4-port Ethernet hub for each room. With that said, Bromley Hall does provide wireless Internet access for all residents throughout the building.
- Many people bring bikes to school and then never use them. You might want to wait to see if you will actually use your bicycle once you have been on campus since they can be difficult to transport.

MOVE-IN DAY!

Bromley Hall will officially open for the 2018-2019 academic year on August 23, 2018. I ask that you plan to move in at your assigned time as this will help ensure that everyone has a smooth move-in day. We will have a team of Move-In Guides ready to assist you and your families move everything from your car to your room. If you are interested in moving in earlier, please see the appropriate document in your room assignment email for more details.

As the Resident Director, it is my hope that your experience at Bromley Hall will be positive and rewarding. I look forward to meeting all of you and will do everything I can to ensure that you have a good experience at the University of Illinois and at Bromley Hall.

Best Regards,

Colleen Finucane
Resident Director
