BEFORE YOU COME TO CAMPUS

Checking Accounts

Many students establish a checking account at a hometown or a Champaign-Urbana bank to assist with payments for books, room, board, tuition, fees, and for other personal transactions. With proper identification, it is easy to cash your out-of-town check at the Illini Union.

Renter's Insurance (This is Very Important) July 31st, deadline

All residents are required to obtain renter's insurance before move-in. To help with this, Bromley Hall has partnered with **GradGuard**, a leading provider of student renter's insurance that has protected over 500,000 students nationwide. Here are a few real-world situations where renter's insurance can help:

- Your laptop is stolen after being left unattended in the library
- Your locked bike is taken while you're in class
- Smoke from a nearby fire damages your belongings
- Water damage occurs after clothes are hung on a sprinkler head

You'll be able to select GradGuard coverage or indicate your own provider in the Bromley Hall [portal](#). GradGuard will share your choice with us for our records.

Bicycles

Due to our close proximity to the Main Quad, most of our residents find that walking is the easiest way to get to and from class. If you decide though that you would like to bring a bicycle with you to Bromley Hall, we recommend bringing an older bike, as bike theft can be an issue on campus. The University Police recommend you protect your bike with a sturdy locking device (D-shaped lock such as Citadel, Kryptonite, Master) or a cable not less than ½" in diameter with a lock having 7/16" or larger case and hardened shackle.

Cancellations

If you need to cancel your contract for any reason, email the Business Office immediately at info@bromleyhall.com to avoid any additional cancellation penalties.

If you have any questions about Bromley Hall that have not been answered, contact us at Info@bromleyhall.com or call us at 217.384.6100. We will be more than happy to answer any of your questions.
